## **2. CEA Mission and goals**

The Mission of CEA is to continuously research economic development and public policy in the Republic of Macedonia and to offer recommendations, suggestions, and measures to the government and non-governmental institutions.

CEA members share a common vision of the Republic of Macedonia as a new emerging economy integrated with regional and world markets. They devote their time, efforts, and knowledge to help make this vision become a reality.

CEA has been established in March 2003.

Goals of CEA:

1. To provide quality policy analyses;
2. To support viable economic policy in Macedonia;
3. To help foster an environment that brings about higher investment, accelerated development and growth of the Macedonian economy, and EU accession;
4. To achieve financial sustainability;
5. To encourage regional cooperation and collaboration in the Balkans;
6. To strengthen civil society, social capital, and trust.
