## EU projects: started

- Implementation of the project “**Tax Responsibility Project – Towards civic responsibility and responsible tax**” under the European Instrument for Democracy and Human Rights (EIDHR) 2018-2019 Supporting a civil society through Country-Based Support Schemes (CBSS), 24 months implementation period.

## EU projects: finalized

- **Regulatory Impact Assessment in the Shadow: Fostering evidence-based policy making in Macedonia**” in partnership with IDSCS under the IPA Civil Society Facility and Media Programme 2015, 36 months implementation period.

## Department: Fiscal policy, efficiency and transparency

- “**Competition and State Aid Policy Monitor: 8 Matters!**” It will include activities for monitoring competition policy and state aid control; Sida, UNOPS project
- **Open budget index publication** in partnership with the IBP expected in April 2020.

## Department: Socio-Economic prospects and challenges

- Implementing the project: “*Europeanization beyond the process*”, supported by the OSIFE. This project will redress these shortcomings by building the capacity of CEA’s policy research into broaden the scope of CEA engagement with the EU as a whole and its member states beyond the traditional European integration paradigm.
- **CEA Journal of Economics.** From 2012 CEA Journal of Economics become an international journal, indexed in EBSCO and EconLit databases of journals. With this journal we created an economic forum where economists were able to practice technical quantitative and qualitative analyses of economic problems and to enrich the public debate on economic issues in Macedonia. SCOPUS indexation under way.

- Preparation for the **International RSA Conference in Ljubljana, Slovenia, RSA Central and Eastern Europe Conference 2020.**
- **Members of several policy makers' Government working groups as expert CSO representatives** for regular or occasional feedback such as: Ministry of finance public finance monitoring, Western Balkan Territorial Governance Network TG WeB.
- Preparation for the conference on the WB TGN 2020 in Belgrade.

## NEW PROJECT/PROGRAMS APPROACH FOR THE NEXT PERIOD

Our researches, studies and analyses prepared are widely recognized and incorporated in the documents and policies of the government (central and local) and NGOs. Our practice is illustrated in the next table.

**Table. Activities toward advocacy for policy change**

Stages of development	First stage of development	Second stage of development	Third stage of development
<b>What do we do?</b>	Doing the research Field analyses Desk analyses Academic reports	Preparation of policy papers/studies, summary, and policy briefs of the research	Advocacy through policy briefs, presentation at meetings, media visibility, expert groups, policy change
<b>Who can really access CEA products</b>	Accessible only to limited number of specialized readers  Publishing on web	Accessible to wider population, journalists  Publishing in electronic and printed media	Follow up meetings, opinion making, general public Press conferences Policy change
<b>Characteristic</b>	Closed type only to experts and clients	More open to general public	Toward policy change

**In 2020 we implement the externally prepared Strategic document and the Communication strategy.**

All previously mentioned activities will be organized within CEA's departments and CEA will continue to identify problems and forecast possible policy issues that need immediate attention in policy arenas. CEA's ways (tools) of influencing policy makers:

1. High quality publishing program (CEA Journal of Economics, reports, analyses, position papers);

2. Continues building sound media visibility on public relevant issues (presenting reports, analyses, position papers policy briefs in the public);
3. Columns and articles in printed and electronic media, and social networks (Facebook, LinkedIn and Twitter);
4. Outreach to university, college and school students (CEA's products are used as teaching tools: Faculty of Economic – Skopje; International Slavic University, SEEU-Tetovo etc.);
5. Conferences, round-tables, expert discussions, seminars, workshops, direct meetings;
6. Direct meetings and close cooperation with policy makers.

## MISSION STATEMENT, OBJECTIVES AND GOALS OF CEA

The Mission of CEA is to continuously research economic development and public policy in the Republic of Macedonia and to offer recommendations, suggestions and measures to the government and non-governmental institutions.

CEA members share a common vision of the Republic of Macedonia as a new emerging economy integrated with regional and world markets. They devote their time, efforts and knowledge to help make this vision become a reality. CEA's code of ethics is available at: [www.cea.org.mk](http://www.cea.org.mk).

### Goals of CEA:

1. To provide quality policy analyses;
2. To support viable economic policy in Macedonia;
3. To help foster an environment that brings about higher investment, accelerated development and growth of the Macedonian economy, and EU accession;
4. To achieve financial sustainability;
5. To encourage regional cooperation and collaboration in the Balkans;
6. To strengthen civil society, social capital and trust.

### These goals will be achieved through:

1. Building the capacities of CEA's members to do quantitative analyses and be objective so that CEA becomes an institution with widely demanded products and services;
2. Transition to complete reliance on non-donor revenues as quickly as possible;
3. Active identification and recruitment of candidates for CEA's consultant pool;
4. Developing a network of relationships with think-tanks in the Balkans, European Union countries, and the United States.

### Specific actions to be undertaken:

1. Public promotion of CEA and its mission to the market;
2. Construction, maintenance, and further development of economic models;
3. Conducting unbiased and consistent analyses relying primarily on quantitative information;
4. Regular monitoring of the economic situation of the country;
5. Make recommendations on key policy issues facing the Macedonian economy;

6. Building links with think tanks and institutes in other Balkan countries, transition countries of central and eastern Europe, and western countries;
7. Close cooperation with international donors and financial institutions;
8. Enhancing public relations via publishing reports, analyses and other working papers

**Outputs:**

1. Working Papers
2. Columns and articles in media
3. Databases
4. Economic and financial models
5. Seminars, workshops and training courses given

**Outcomes:**

1. A sustainable think tank
2. Significantly improved capacities in using economic models and conducting policy analysis
3. Demand from Government agencies, international organizations and donors, and the business community for CEA products
