2. CEA Mission and goals

The Mission of CEA is to continuously research economic development and public policy in the Republic of Macedonia and to offer recommendations, suggestions, and measures to the government and non-governmental institutions.

CEA members share a common vision of the Republic of Macedonia as a new emerging economy integrated with regional and world markets. They devote their time, efforts, and knowledge to help make this vision become a reality.

CEA has been established in March 2003.

Goals of CEA:

1. To provide quality policy analyses;
2. To support viable economic policy in Macedonia;
3. To help foster an environment that brings about higher investment, accelerated development and growth of the Macedonian economy, and EU accession;
4. To achieve financial sustainability;
5. To encourage regional cooperation and collaboration in the Balkans;
6. To strengthen civil society, social capital, and trust.
